

Tractor & Two Wheel Operator Evaluation Fo

Operator name:	Operator email/dot #:	Program:
----------------	-----------------------	----------

I wish to opt out of the tractor operation evaluation assessment. I understand that this may cause me to be referred for further training on tractor operation.

Signature: _____

Date: _____

Entry and Start-up

Walk around tractor and look for hazards.

Check to see that the implement is securely hitched to the tractor.

Use handholds & steps to get on tractor.

Adjust seat, steering wheel, & buckle seat belt.

Gear shift for park or neutral and/or handbrake.

Disengages clutch before starting tractor.

Tractor Driving

Disengages clutch, selects an appropriate gear, & engages clutch smoothly.

Drives the course correctly without knocking over any cones.

Maintains control of tractor & implement at all times when driving.

Comes to a smooth and steady stop before changing directions.

Glances forward when backing to make sure they stay within the course.

No more than one pull-up needed to back implement into stall.

Stops with implement within 18" of back of stall.

Does not knock over cone behind implement when backing in stall.

Returns to stall through course without knocking over any cones.

Does not let any part of the tractor touch implement tongue when backing.

Parking and shut off

Puts tractor in park and/or sets parking brake & puts tractor in neutral.

Shuts tractor off before dismounting.

Maintains 3 points of contact when dismounting tractor.

Does not jump off tractor.
